Any special consideration claim must be supported by appropriate evidence within two days of the exam, for example a letter from the candidate's doctor.

The exams and data team will then forward a completed special consideration form to the relevant awarding body within seven days of the exam.

Internal Assessments and Appeals

Internal Assessments

Candidates who have to prepare portfolios should do so by the end of the course or centre-defined date.

Heads of Faculty will ensure all internal assessment is ready for dispatch at the correct time and keep a record of what has been sent when and to whom. Marks for all internally assessed work are provided to the exams office by the Heads of Faculty.

Appeals against internal assessments

The Alsop High School Technology College is committed to ensuring that whenever its staff assess students' work for external qualification; this is done fairly, consistently and in accordance with the specification for the qualification concerned. Candidates' work should be produced and authenticated according to the requirements of the Awarding Body. Where a set of work is divided between staff, consistency should be assured by internal moderation and standardisation.

The main points are:

- Appeals should be made as soon as possible, and must be made at least two weeks before the end of the last externally assessed paper in the examinations series
- Appeals should be made in writing to the Head of Centre who will investigate the appeal. The Head of Centre will appoint a member of the senior management team to conduct the investigation.
- The member of staff conducting the investigation will decide whether the process used for the internal assessment conformed to the requirements of the awarding body and the examinations code of practice of the QCA. This will be done before the end of the series.
- The candidate will be informed in writing of the outcome of the appeal, including any correspondence with the board, any changes made to the assessment of work and any changes made to improve matters in the future.
- A written record of the appeal will be kept and made available to the awarding body at their request. Should the appeal bring any significant irregularity to light, the awarding body will be informed.

After work has been assessed internally it is moderated by the awarding body to ensure consistency between centres. Such moderation frequently changes the marks awarded for internally assessed work. This is outside the control of the school and is not covered by this appeal.

Results

Results

Candidates will receive individual results slips on results days in person at the centre or alternatively if the candidate is unable to collect their results in person, the Examination Officer will post them out to their home address upon receipt of a stamped addressed envelope.

Arrangements for the centre to be open on results day and the provision of staff is the responsibility of the Exams Officer

EARs

EARs may be requested by centre staff or candidates if there are reasonable grounds for believing there has been an error in marking. The candidates consent is required before any EAR is requested.

When the centre does not uphold an EAR, a candidate may apply to have an enquiry carried out. If a candidate requests this against the advice of subject staff, they will have to pay the necessary fees to the Awarding Body.

ATS

After the release of results, candidates may ask subject staff to request the return of papers within three days' scrutiny of the results.

If a result is queried, the Exams and Data team, Head of Faculty and Head of Centre will investigate the feasibility of asking for a re-mark at the centre's expense.

Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained.

GCSE re-marks cannot be applied for once a script has been returned.

Certificates

Certificates are available from the end of November. It is centre policy that certificates are signed for by the candidate or a responsible adult with written authorisation from the candidate. Alternatively certificates can be posted out by recorded delivery upon receipt of reply slip and £2.00.

Certificates may be withheld from candidates who owe fees.

The centre retains certificates for one year.

Policy Review

This exam policy will be reviewed by the Head of Centre, Deputy Head of Centre and the Examinations and Data Team annually.

The policy is next due for review on 1st July 2020.
